HOW TO CHOOSE

1. SELECT FABRIC

Explore fresh colors, textures and opacities as you browse our gallery of fabrics, specially selected to be worry-free. Our fabric collection embodies stylishness with endurance, optimal light/ privacy control with poise.

2. SELECT LINING

Each roman shade comes with your choice of a translucent or blackout lining to accompany your fabric selection. Our linings provide an extra layer of insulation and have a pleasant streetside appearance.

3. SELECT FOLD STYLE

Personalize your shade with a fold style to finish-out your décor. Soft Fold offers a more relaxed look and adds volume to your window opening. Flat Fold, with or without seams, offers a clean and modern look, but is also a versatile enhancement to almost any décor.

4. SELECT SHADE SYSTEM

Select from our innovative shade systems, featuring reengineered hardware and award-winning lift technology. Continuous cord, continuous cord with SmartRelease™, cordless, motorized, or day & night shade, there's a perfect shade system befitting your lifestyle.

Whether you're looking for a functional solution to light control and privacy, or a textured update shimmering with elegance and sophistication, the roman shade collection delivers the quality, innovation and versatility that make it a true icon of style.

Luxury Fold Options

Show your exquisite taste and select from luxury fold options. Choose Flat Fold for a polished look rooted in simplicity, so perfect it harmonizes with virtually any décor. For a more decorative flare, choose Soft Fold, featuring a distinctive teardrop contour that adds fullness and volume to your window opening.

A WORLD OF FABRICS

Handcrafted from the finest fabrics, previously available only through custom draperies - from muted grays, pastels and earth tones; the luminousness of luxury silk; to the latest in heritage-inspired embroidery and weaves. Our gallery of fabrics will not only elevate your style, but also improve the comfort of your home.

TREND-RIGHT EXCLUSIVES FEATURING LIBECO LINENS

Libeco fabrics are made in Belgium and more specifically in Meulebeke, a small village between Bruges and the French border. This region is known for its flax culture and prosperous textile industry. Libeco, a company dating back to 1858, is one of Europe's top linen weavers and is considered to be at the forefront of their craft, utilizing techniques both traditional and new. Their linens embody the highest quality, and are soft to the touch, with subtlety that makes a huge impact.

LIFT SYSTEMS

Smooth, dependable and quiet performance for any application. Experience award-winning lift technology, evoking modern stylishness that's effortless to achieve. See, feel and hear the difference.

CONTINUOUS CORD WITH SMARTRELEASE™

Continuous cord is a very popular option for larger or heavier roman shades. The SmartRelease™ innovation allows the convenient "release" of the shade while it is in an upward position.

Superior Convenience and Saves Time

Once released, the shade smoothly and quietly lowers to a completely closed position automatically ...so that you can move onto something else.

From Chore to Daily Magical

The technology makes daily lowering of the shade effortless, while it significantly reduces the likelihood of cord fray and other cord-related problems, which may occur after prolonged use.

AEROLITE™ CORDLESS LIFT SYSTEM

Patented Technology

Our patented Aerolite™ Cordless Lift System enables easy raising and lowering of the shade - with ultra-premium cordless control. When raising and lowering, Aerolite™ delivers a smooth experience that's quieter and more dependable.

Better Insulation

The unique system comes with additional lining, working as an extra layer of insulation for your window.

Easy and Intuitive Control

To lower, gently pull the concealed shade handle downward to lock it into place. To raise, gently pull the handle downward and let the shade rise automatically to the desired position and lock.

Convenient and Safe

The cord-free design eliminates unsafe and unsightly cords to ensure child and pet safety. Norman® is an active participant in the WCMA "Best for Kids™" safety certification program. Products designated "Best for Kids™" are certified to have inaccessible inner cords, or have inner cords that cannot in any way create a hazardous loop.
